Slide Requirements

- [Slides Submission Instructions](#)
- The specimen ID# on your slides MUST MATCH with the specimen ID# you entered for the pathology report(s) online or they will not be accepted.
- ONLY THE SPECIMEN ID# can appear on the slides – NO hospital or patient names; or laboratory identifying information.
- You may submit glass or virtual microscopy slides on disc or flash drive.
- AIRP will not accept unstained slides or paraffin blocks.

Residents must submit a signed copy of the pathologist's Verification/Consent Form with the slides. This form can be printed from the Case Data Entry page.
