Dear course attendees,

The ACR® AIRP® continues to monitor the coronavirus outbreak and make decisions in the best interests of our attendees, lecturers, and staff.

We value and care about your educational experience and believe strongly in the importance of Radiologic-Pathology correlation. We want to assure you that the ACR® AIRP Radiologic-Pathology Correlation Course scheduled for July-August 2020 will occur. This July-August 2020 will be virtual with both synchronous and asynchronous lectures. The course will be delivered in our new learning management system, Canvas. We will keep you advised as to the specifics of the program and platform as they are finalized. Also, all previously published course dates for the 2020-2021 academic year will be adhered to as listed on our website.

We thank you in advance for your patience and understanding as we carefully proceed in this new living, learning, and teaching environment.

Stay safe, and be well!

With Kind Regards,

Mark D. Murphey MD, FACP
